FAVORS THE FORM OF TOWN GOVERNMENT

Annexation Committee Files Its Report With Town Clerk Westwood.

EXPENSE TOO MUCH FOR A CITY

However, Figures are Submitted Showing Estimated Costs of Both Second Class City and Town Government—The Full Text of the Report.

The annexation committee, named by Mayor Thornton F. Jones, yesterday submitted to Town Clerk William T. Westwood its report, which will be read to the Hampton town council at its regular meeting on Thursday evening of next week.

The committee enters exhaustively into the question of "Greater Hampton" and recommends that the limits be extended, but the government continue as a town.

The reason given for favoring the present system of government of the second class would increase expenses and impose unnecessary tax burdens. The report contains interesting facts and figures, gathered and compiled by the committee with great care, and it will be published in full in these columns tomorrow morning.

NEWPORT NEWS HIGH SCHOOL AGAIN DEFEATED

Locals Put up a Strong Battle and Won on the Soldiers' Home Gridiron, 11 to 0.

In an exciting, though rather one-sided game, the football eleven of the Hampton High school defeated the team from the Newport News High School on the National Soldiers' Home griron, 11 to 0, yesterday afternoon.

The contest was witnessed by a large crowd and it was Hampton's game from the start to finish.

The game opened with Newport News kicking to Hampton, who ran the ball back twenty yards. After making one down the locals were forced to punt. Cooke punted to Newport News' twenty-five yard line. Hampton kicked again, the ball bounded over Newport News' goal line and Brittingham and Cooke were soon on it. Hampton failed of goal. Score—Hampton, 5; Newport News, 0.

Hampton got the ball on kick on the forty yard line and then sent Brown through right tackle for a beautiful run and a touchdown. Cooke kicked goal. Score—Hampton, 11; Newport News, 0.

During the second half the ball remained in Newport News' territory but Hampton failed to secure another touchdown.

Blackmore and Bentley, Hampton's center and full back, were out of the game on account of illness. Wood did well at center and Brown put up a good game at full back.

Newport News was on the defensive throughout the contest, though the visitors put up a snappy, plucky game. Newport News never had the chance to score.

Mr. Frank Larrabee was the referee. Messrs. Spencer and Bentley the umpires, and Messrs. Overton and Webster the linemen.

HOLD-UP IN THE COUNTY ROAD.

Old Soldier Relieved of His Valuables Near Barnes' Corner.

An old soldier, whose name could not be learned last night, was held up and robbed of a silver watch at Barnes' corner on the county road late Monday night. Several persons witnessed the hold-up, but before they could go to the assistance of the old man, the negro made good his escape in the dark.

Yesterday a colored man was taken by the Phoebus police, but the man succeeded in proving his innocence to the satisfaction of the officers and was discharged.

WOMAN ACCUSED OF WHOLESALE POISONING

Philadelphia Police Say Bridget Carey Killed Five People For Insurance.

(By Associated Press.) PHILADELPHIA, PA., Nov. 27.—The most remarkable case of wholesale poisoning of persons to secure insurance money that has ever been heard of in this city, is charged tonight against Bridget Carey, who was arrested at a late hour by detectives Isaacs and Miller and Deputy Coroner Paul.

The woman who is 23 years is charged with having poisoned her husband, Patrick, her two children, Mary aged 8, and Annie aged 6, who died a week ago, and Patrick and Cecilia Cook tenants in the aCrey house at 1942.

All of the alleged victims died within eleven months and the police allege that Mrs. Carey benefitted by deaths to the extent of \$1,000 through the collection of insurance.

According to 'Captain of Detectives Donaghy, it was learned that children were insured for \$125 and that Mrs. Carey collected this amount after their deaths. On further investigation it was found that Patrick and Cecilia Cook, brother and sister who lived with Mrs. Carey had died within a few months and under suspicious circumstances. Miss Cook has been the lessee of the house and Mrs. Cary was a tenant.

The police officials say that Miss Cook was insured for \$200 in favor of Patrick Cook her brother and that on August 13 she died. Patrick had been insured for \$500 in favor of his sister.
